With over 20 years of experience as the only independent manufacturer of affordable technological quality computer peripherals, Trust offers a complete and innovative assortment of 250 products. Each product is carefully developed with the focus on functionality and users comfort; in this process price in proportion to quality is of importance. The assortment is divided into four marketing concepts namely Portable Solutions, Bluetooth Solutions, Internet Telephony Solutions and MP3 Solutions and into twelve sub brands. This classifies the complete assortment in orderly product groups.

Trust International B.V. (www.trust.com) is active in 30 European countries. The product range is available through all the national and European wide retailers and resellers. More than 230 employees are working at the offices in the Netherlands, Germany, France, Spain, Italy, United Kingdom, Poland, Portugal, Czech Republic, Hungary, Austria and Switzerland. Trust offers complete services to both its partners and consumers.
